

3,2,1 Blast Off!

The Countdown to Testing Begins!

*A FREE Testing Informational workshop regarding the upcoming LEAP assessments
Offered for parents of 3rd-8th grade students in Livingston Parish*

As a parent, you want your children to feel relaxed and prepared on testing days. Learn about the format of the LEAP assessment your child will take this school year, and feel more confident as you encourage your child to **REACH FOR THE STARS** and produce **OUT OF THIS WORLD** results!

This workshop will provide parents with more information on the upcoming LEAP assessment. Topics such as “*What does the test look like?*”, “*What types of questions may be covered?*”, “*How is the written portion scored?*”, “*Is this test timed?*”, “*Will this test determine promotion to the next grade?*”, “*What is a writing rubric?*”, “*What does it mean to cite their evidence?*” will be discussed. This is a great opportunity to learn about the new changes to testing. The presentation will also provide parents with time to ask questions they may have concerning other aspects of testing.

Workshop will cover information for grades 3rd-8th
